Dear Friend of HR @ Niagara,

*As you may recall, Human Resources @ Niagara is a non-profit organization, designed specifically to provide opportunities and support to aspiring human resources students at Niagara College.*

*On May 1<sup>st</sup>, 2009, a fundraising event was held in honour of our dear friend and colleague, Ellie Burbidge, President of HR @ Niagara. Ellie was killed in a tragic car accident in the winter of 2009. Our goal was to establish a bursary that would be awarded annually to a student in a Human Resources program. In this way, Ellie's spirit, enthusiasm, and passion for human resources will live on year after year by helping another HR student to succeed.*

*With your generous support, we were able to surpass our goal of raising \$6000.00. The fundraising event, bake sales, and donations allowed HR @ Niagara to raise approximately \$10,000.00 towards the bursary. We are extremely appreciative of your generosity and kindness. We would not have been able to achieve this ambitious goal without your support.*

Warmly,
