BUSAC Report

January 12th 2008

Events

O-Week report is complete and can be found with the rest of my attachments.

Frost Week ran this week and was a big success. There were events each day that experienced amicable turnout by students. Something new we tried this year due to Special Events Coordinator, Lianne Bradley's, creative mind were the Maple Toffee pops along with hot chocolate which were a big success. Also, Brock attempted to break a world record with the world's largest dodgeball game due to the efforts of BUSU and Guinness Brock. Though the planning process experienced some minor hiccups, the event ran and Brock will be recognized as the record holder for the largest dodgeball game in the world with 152 people playing.

January 25th BUSU will be hosting a Raptor's game. Tickets will be sold at \$80. If we sell 96 tickets the VP's of the Raptors will do a tour of the ACC prior to the game so make sure to tell your friends, tell your friends' friends and come out to the game!

Clubs

I have received some more ratification packages from clubs which are awaiting to be looked over by the committee and will be ratified soon. I will supply BUSAC with an updated club list as this occurs. The club line item has gone from \$7,500 to \$6,885 due to the funding granted to Brock Polish Club and Brock Students of History.

I will be doing some work on re-writing the club hand book with the help of the clubs coordinator. Currently there is not electronic copy that exists nor is the copy up to date. We will be working to update the current copy and creating an electronic version at the same time.

BEAR

Brock Aid is still running with some more student interest each day. I will be giving the Brock Aid Coordinator some work on a new marketing program to market Brock Aid to programs geared towards medicine.

I will be applying for the Women's Health and Safety fund for Foot Patrol this week in an attempt to receive other outside funding for the program.

Foot Patrol will also undergo a marketing program to market Foot Patrol to students concentrating in policing and criminal justice.

I must also apologize for my late submission of my report. With Frost Week going on and all the running around and last minute details to be fixed my submission was very late so I do apologize and will strive for this occurrence to be kept to a minimum.

~~ PEACE, LOVE... *Wrzosek* ~~
